

FALSTAFF

THE FALSTAFF ZODIAC HOUSE COCKTAILS

GREETINGS. I AM ASTRAEUS.

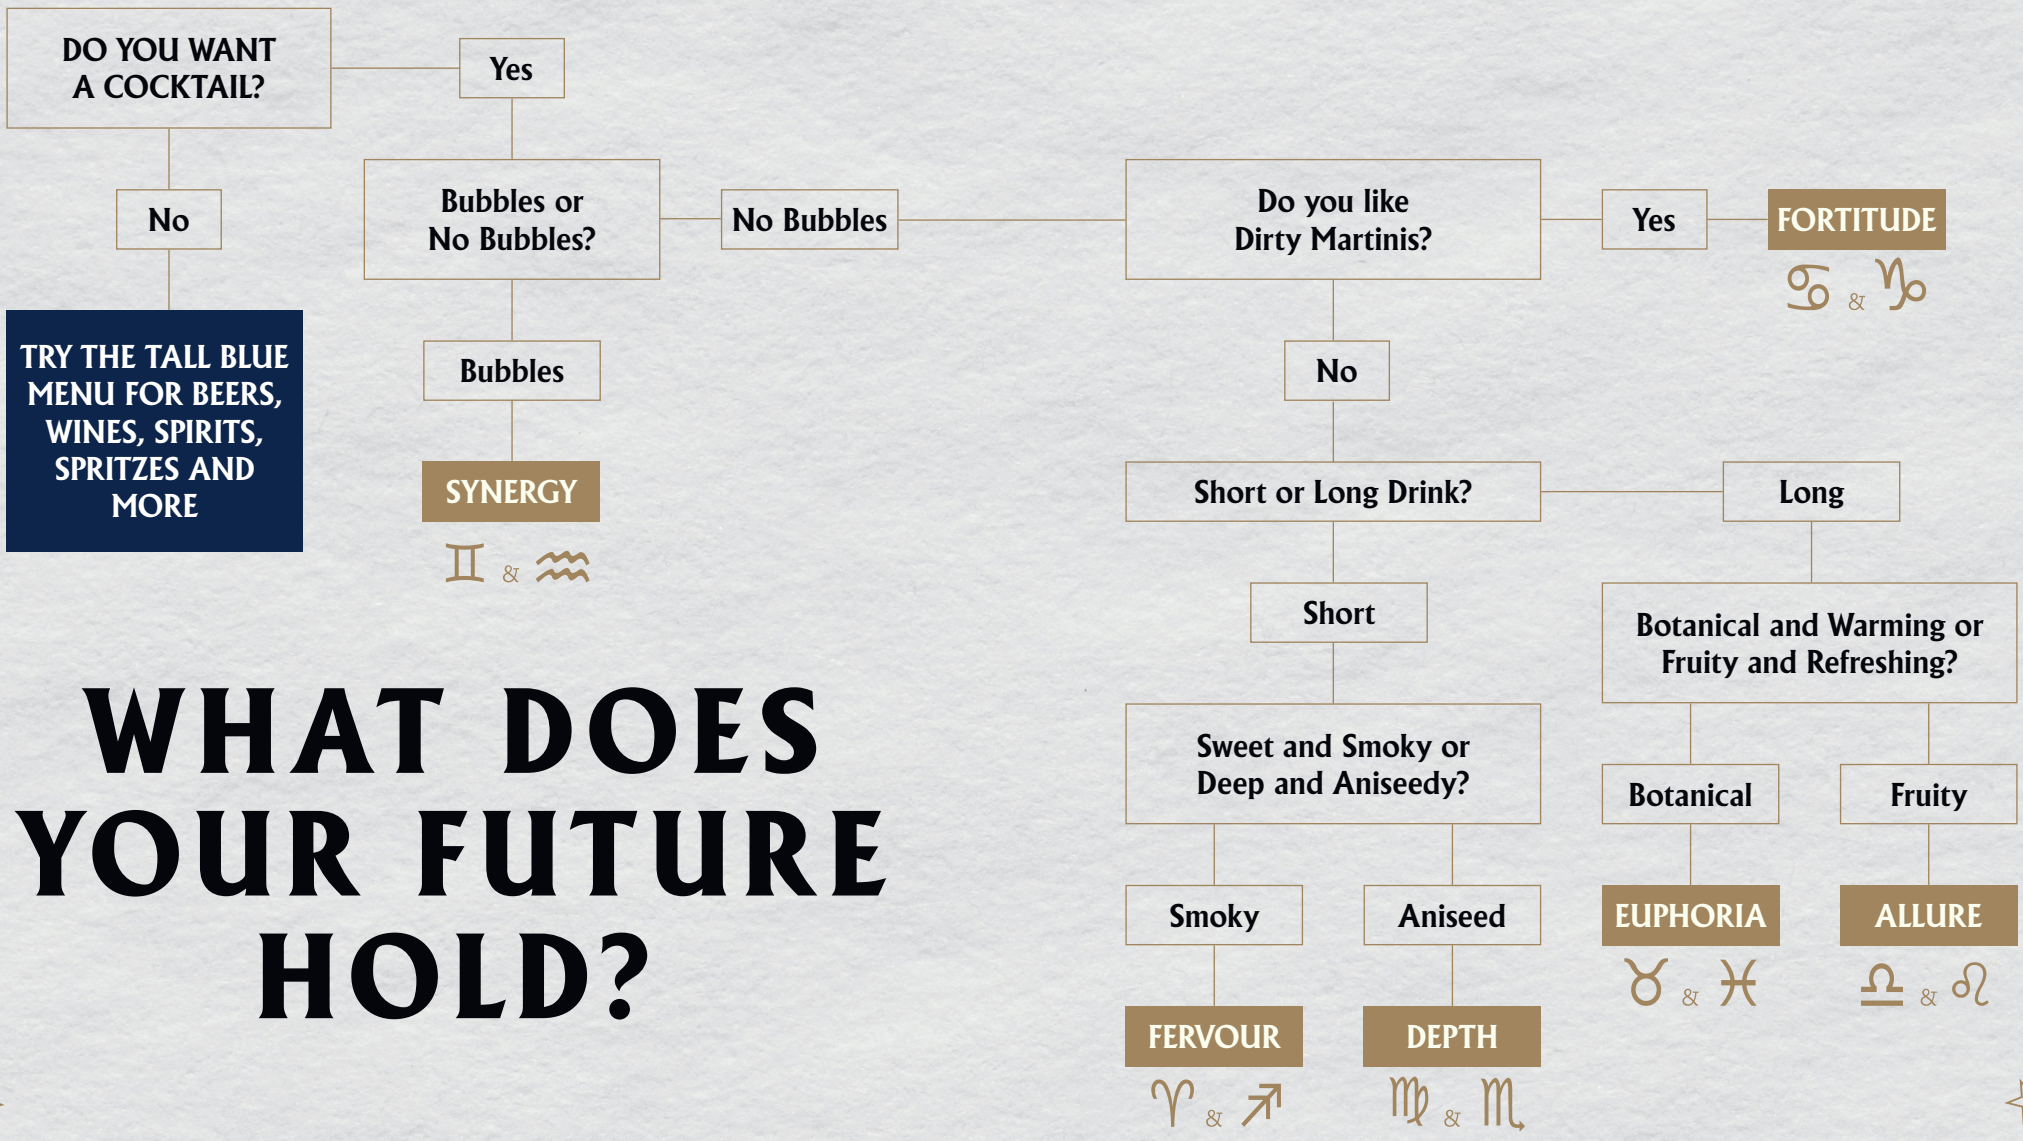

I have been observing every living organism and their compatibility for all of eternity. The human race, with their penchant for romance, has by far been the most intriguing (and chaotic to say the least).

You are the first beings, however, with whom I can share the truth.

Within these pages, discover the profound mysteries and timeless truths of the zodiac signs through elixirs composed by the mortals whom I deemed worthy of the task.

The bar staff assumes no responsibility for the outcomes of your relationships. Kindly take Astraeus' compatibility suggestions with a grain of salt. (Don't divorce your husband) Follow your heart, drink responsibly and make good choices.
